Boxtops for Education

The March Box Tops for Education contest has come to a close. Winners will be announced at school on Monday, as well as, being posted on Facebook.

As we kickoff April, a new contest gets underway; collection sheets should be arriving home this week.

We will run another raffle this month. Same procedures as previous raffles: students will have one entry for every 25 Box Tops they submit. In addition, we will award our April Top Contributor Trophy to the student that brings in the most Box Tops this month. Please note: all Box Tops submitted during March, April, and May are being counted toward the final classroom prize in May - an extra recess and popsicle party for the top classroom!!!

We are inching toward our goal...we are currently at about \$1600 with the final two months left. We are hoping to reach at least \$2000. Remember, EVERY BOX TOP COUNTS (as long as it has not expired...). Thank you for your ongoing support!!!
