## Box Tops for Education

It's time to start clipping!!! The Highland Drive PSO will be coordinating the 2017-2018 Box Tops for Education program; this year's coordinator is Stacey Bram.

Last year, Highland Drive earned \$2,066.20 just by clipping Box Tops from products you already buy! Our goal this year is to break \$2000.00 once again.

**How does it work?** Look for the pink Box Tops for Education logo found on hundreds of products. Carefully cut the Box Top out and save it. Starting in September, collection sheets will be sent home with students; the Box Tops can be glued or taped on the collection sheet and sent back to school with your son or daughter.

Each Box Top is worth \$0.10; it doesn't sound like much, but it quickly adds up when we work as a team! Prizes will be awarded on a regular basis throughout the school year. Prizes will be awarded to individuals, as well as, the top classrooms. Recruit your friends and family to participate, as well! Stay tuned for more information as the school year gets underway.

For a complete list of eligible products in the Box Tops for Education program, check out the PSO website at
