Classroom Antics Summer Tech Camp Donation to School

Classroom Antics has for years been offering educational summer camps in Brecksville. In our camps, kids learn what they love by creating video games, producing stop-motion animation movies, coding computer programs, conducting experiments, and engineering LEGO robots. You can take a look at our offering and see what other parents have to say about their programs by clicking [here](#).

How the fundraiser works:

With the special code (HDE10), you will receive \$10 off each Classroom Antics Program for which you register on or before May 31, 2016.

Classroom Antics will also give Highland Drive Elementary \$25 for every member who enrolls in a Classroom Antics program on or before May 31, 2016, using that special code.

PSO Volunteer Hours Needed!

Each year the Highland PSO needs to report volunteer hours to the Board of Education group and also track for tax purposes. The hours will need to be totaled by the beginning of May. All Highland Board Members and Committee Chairs need to submit their hours. Anything you have signed in for at the office will totaled for you so you DO NOT need to include those hours. PSO volunteer total hours can be emailed to [Sue Nall](#).
