TAKE A BOOK • RETURN A BOOK

Highland Drive PSO is organizing a Book Drive in honor of Sharon Wiesler and her love of reading and literacy for all children. Sharon knew the importance of reading and early literacy support from home and one of her passions was finding ways to give the gift of reading to all children! Before Sharon passed away, she was working to bring a Little Free Library to Seneca Apartments in Broadview Heights. In Sharon's memory, we are collecting gently used children & teen/young adult books and constructing a Little Free Library to be set up at Seneca Apartments in Broadview Heights. The idea behind a Little Free Library is anyone can borrow a book and return it once completed. Book Donations can be dropped off at Highland Drive Elementary School in marked donation bins in the lobby. More information will follow upon completion of constructing the Little Free Library. Thank you for your support!
