Boxtops for Education

If you missed it, Mrs. Adams' class won the January/February Box Tops for Education contest. This class crushed the competition and won a popcorn and movie party which has been scheduled for later this month!!! Bruno Berlin helped to propel the class to victory with a very large contribution!!! In addition, Tyler Pickard in Mrs. Lant's class won the Top Contributor Trophy for the second month in a row!!! Great job!!!

This month, we are holding a raffle for a special candy surprise. Students will earn a raffle ticket for every 25 Box Tops they submit. In addition, all submissions will also be applied to the final classroom prize that will be awarded at the end of May: a Popsicle party and extra recess.

Please keep in mind that Box Tops should not be expired and must include both a product code and an expiration date. If codes or dates have been cut off, the Box Tops do not count.

Thanks for your support!!!

Hi, Joanie. The dates appear to be mixed up on the updates. The one below was sent on March 6...and it says Feb 27 in the heading. Is it actually the March 6 update? Also, the headlines show 2016 instead of 2017. Not sure if you can fix that? MKA
