PSO School Donations from Classroom Antics and Savings for Families

Classroom Antics, a leader in STEM education, offers summer Tech Camps in the area and is offering you \$10 off of their programs if you register with the code, HIGH10, by May 31, 2017. They will also

give our organization a donation for each member that registers before that time. We encourage you to check out their camps where kids learn what they love by creating video games, producing stop-motion animation movies, modding in Minecraft, creating computer programs, and engineering LEGO robots. You can take a look at their offering, see what other parents have to say about the programs, and register at www.classroomantics.com They will be keeping track of how many members register with our special code, HIGH10. So if you are interested you only need to register using that code and they will take care of the rest.

Calling all Pirates and Princesses

A Pirate and Princess Party is coming to the Middle School Cafeteria on Wednesday, May 17. There will be crafts, games, face painting and many more fun events. Please take a look at the flyer: [Pirateandprincessflyer](#) All of the proceeds for this event go to Kick It for pediatric cancer research. Hope you can attend with your little pirates and princesses.

Boxtops for Education

The Box Tops for Education program is quickly winding down. May is the last month to get in your Box Tops! Please help us try to reach our goal of \$2000 by the end of the school year. There are currently many incentives to encourage students and families to submit Box Tops. Every time a student contributes 25 Box Tops, they will be entered into a raffle for a summer bucket of fun! In addition, the student who contributes the most Box Tops in the month of May will win the final top contributor trophy. Perhaps the most exciting incentive is the extra recess and Popsicle party that will go to the classroom that has submitted the most Box Tops during the month of March, April, and May.

Keep clipping!

Highland Cafeteria Parent Volunteers are Needed

Please consider volunteering your time to help out in the Highland cafeteria at lunchtime. We are looking for people who can help children with opening packages in their lunches, cleaning up tables, and generally keeping things calm and organized. Siblings are welcome to join. Sign up [HERE](#) to volunteer! thanks!
