PSO Weekly Update November 30, 2020

President Greeting

Facebook Page

Hello Highland families,

Flyer Central

Today starts our first week of all remote learning. Remember to do your best, everyone knows this will be difficult. Please have patience with teachers as they will be working out the kinks as they go. We all know it will not be easy, but we can do it!

PSO Website

Gifts and Goals is complete! We purchased and delivered all the goodies our teachers at Highland requested last week. Thank you for all the generous donations to the fundraiser. It enabled us to purchase almost everything requested! Since we needed to deliver the items virtually, we accompanied the surprise with a quick, **thankful video**. The staff was moved by the special video guests and incredibly grateful for the new goods!

The Highland Drive Elf Shop Kicks Off This Friday!

The 2020 Highland Drive Elf Shop is fast approaching! This year's Elf Shop will be conducted virtually. All students are invited to shop online for family and friends between Friday, December 4th and Friday, December 11th.

Please review the directions to access the Highland Drive Elf Shop. If you use the login and password that are provided, sales will be attributed to Highland Drive. The Highland Drive PSO will earn 10% of the sales to help fund future PSO activities.

Once in the "store," students will have an opportunity to shop for each person that they would like to purchase something for. There will be designated areas with gifts for him (fathers, grandfathers, uncles, etc.), her (mothers, grandmothers, aunts, etc.), pets, and brothers, sisters, and babies. There will also be areas designated for toys, gifts related to sports, and holiday gifts. Students will be able to make their selections from each relevant area and then invite his/her parent in to make the payment. The gifts will be delivered to your home this year. Free shipping is provided on sales of \$50 or more; a \$6 flat shipping rate will be applied to orders less than \$50. Included in all shipments will be bags with preprinted labels for the students to "wrap" up their gifts.

Please consider joining in this festive event and spread some holiday cheer!

If you have any questions, please contact Stacey Bram (FurryFoot4@sbcglobal.net).
